ACCA

Annandale Christian Community for Action

A coalition of churches serving those in need

Serving Our Community
with Your Support

2019
Our Year In Review

Our Accomplishments

In its 52nd year, ACCA continued to provide high quality childcare and served as a principal source of emergency assistance, including food, furniture and financial support, for our vulnerable neighbors.

The **ACCA Child Development Center (CDC)** provided quality care and early education for more than 270 infants and children, mostly from low-income families. The CDC has expanded its program to accommodate 36 additional students and introduced a school age summer program.

Family Emergency Assistance provided \$223,353 in assistance for rent, utility bills, prescriptions and other needs with an average payment of \$680 per household.

The **Food Pantry** made 643 deliveries of food and other necessities, serving 1870 people with a 7–10- day supply. An additional 450 families were assisted with a 3–5- day assistance. We also provided food for distribution to families at Bailey's Elementary and Annandale High School.

The **Furniture Ministry** team delivered 1,178 items to 475 persons in 151 needy households. This work was accomplished by 152 volunteers, who provided 2,490 hours of volunteer labor. Through partnerships and sharing of resources with other community partners, we are able to help our neighbors to provide a safe and comfortable home for their families.

The combined **Shepherd's Center of Annandale Springfield/ACCA Transportation Program** provided 542 round-trip rides for medical appointments and other essential errands.

Meals On Wheels volunteers delivered an average of 100 meals per month to elderly, convalescing and disabled adults.

Housing Repair worked in partnership with Rebuilding Together and more than 61 volunteers to renovate and upgrade two homes in April and is also working year-round with the Rebuilding Express program which focuses on smaller projects.

The **CROP Hunger Walk** raised \$20,785 in donations for Church World Service, of which \$5299 was returned to ACCA for our emergency assistance programs.

Ruffing Scholarships of \$4,000 per year for college education were provided to five local students with disabilities. The Making A Difference Award for volunteer service, which included a \$500 check, was presented to a graduating senior at Annandale High School.

ACCA continued to participate in Fairfax County initiatives such as prevention of hypothermia, ending homelessness, emergency preparedness and encouraging interfaith dialogue.

ACCA implemented a homework club program in partnership with the Lutheran Immigration and Refugee Service this year. Through financial and volunteer support, ACCA assisted refugee children with their school work and helped their parents with their English language skills.

ACCA is working with Just Neighbors to support their operations in the Annandale/Bailey's Crossroads area. Just Neighbors provides legal services to low-income immigrants who reside in the ACCA service area.

The **Development** team worked with member churches, individuals and community benefactors, as well as county, state and federal programs to ensure that ACCA has the resources to continue to meet emergency needs and to provide quality early childhood education in our community.

ACCA's work was made possible by about 500 repeat volunteers and hundreds of one-time volunteers in addition to the staff of the Child Development Center.

About ACCA, Inc.

ACCA was named one of the best small non-profits in the Metro area by the Catalogue for Philanthropy.

ACCA's mission since 1967 has been "Doing what Jesus would do by serving our neighbors in need" in the Annandale, Lincolnia and Bailey's Crossroads areas.

There are two arms of ACCA, Inc. — the ACCA Child Development Center and ACCA Human Services.

The ACCA Child Development Center (CDC) provides high-quality early education and developmentally appropriate care for children ages 3 months to 5 years. The CDC employs staff who regularly pursue professional development. The center also provides special needs services to 100 children.

ACCA Human Services ministries include Family Emergency Assistance, the Food Pantry, Furniture and Transportation to medical appointments. ACCA also supports Rebuilding Together, Meals on Wheels, college scholarships for students with disabilities, and the Annandale CROP Hunger Walk.

ACCA Human Services is run entirely by volunteers. In FY 2019, more than 96 percent of expenditures for these ministries went directly to helping our neighbors in need.

ACCA and You

"Whatsoever you do for the least of my people, that you do unto me."—Matthew 25:40

ACCA's work is made possible by its 27 member churches, more than 130 organizational partners, more than 500 volunteers and about 500 individual donors.

If you are looking for a way to give back to our community, consider volunteering for one of ACCA's many programs. Some volunteer jobs only require an hour or two every couple of months. ACCA also provides opportunities for students who need to perform community service. Email ACCAcares@verizon.net for more information on volunteer opportunities.

Community food drives and furniture donations provide an important source of in-kind support for ACCA's ministries.

There are many ways to support ACCA financially:

- Individual donations, either one-time or recurring
- Workplace giving through the Combined Federal Campaign, United Way, or an employer matching gift program
- Designating ACCA as a beneficiary in your will
- Through an ACCA member church

Donations via check can be mailed to ACCA at 7200 Columbia Pike, Annandale, VA 22003. ACCA also accepts online donations through the Catalogue for Philanthropy and PayPal. Visit ACCAcares.org for more information.

ACCA is a registered 501(c)(3) nonprofit organization and contributions are tax deductible to the full extent allowed by law.
