

ACCA BY THE NUMBERS

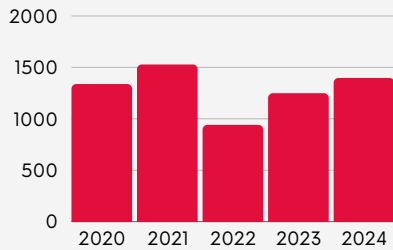

OUR MISSION HAS REMAINED THE SAME FOR THE LAST 57 YEARS. WE WORK TO SERVE THOSE IN NEED.

THE NEED IS GREAT AND INCREASING

Food insecurity rates for the most severely impacted parts of ACCA's service areas are between 40% and 55% and child poverty rates are at 27% in Fairfax County. ACCA's human services work to relieve hunger and related needs with three major programs: food delivery, financial assistance, and furniture delivery. Since 2020, ACCA has assisted 27,000 individuals in nearly 9,000 households. ACCA works with county social workers to provide nutritious food, emergency financial assistance, and furniture to families and individuals in need.

FOOD AND HYGIENE PROGRAM

Pantry volunteers deliver a 7 - 10 day supply of food and hygiene products. Our volunteers and community partners work tirelessly to stock our pantry with produce, dairy products, bread, meats, soaps, baby supplies, and a variety of canned and packaged foods. 1397 households received emergency grocery supplies in FY2024. Since 2020, the pantry has served 6453 local families.

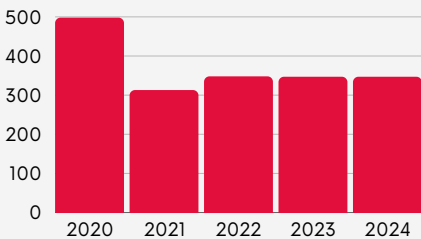

Households Served with Food and Hygiene Deliveries 2020-2024

"I am so grateful, I have no words to describe how wonderful you are. God bless you. I know that my girls will enjoy this food a lot and I am very grateful and I hope you continue to help many more families who need it. God bless you very much." (from a text message that one of our drivers received after delivering groceries to a local family).

FAMILY EMERGENCY ASSISTANCE

347 local families received emergency funds for rent, security deposits, utilities, medical bills and other essentials in FY2024. Since 2020, the family emergency assistance program has served 1853 local families.

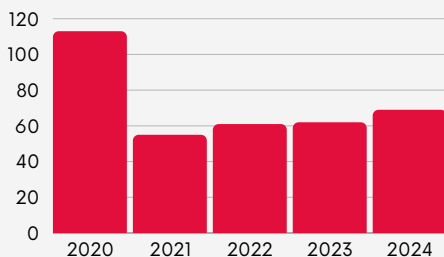

Households Served with Emergency Financial Assistance 2020-2024

A client requested help with one month's rent and the electric bill. Her significant other has been in and out of the hospital and had not been able to work for almost a month. ACCA paid the rent and electric bill for the amount requested.

FURNITURE

69 families received beds, sofas, tables, chairs, lamps, and other essentials to make their homes more liveable in FY2024. Since 2020, the furniture teams have delivered to 360 homes.

Households Receiving Furniture and Other Household Items 2020-2024

An Afghani refugee family had a softer landing in our area after the ACCA Furniture Team came knocking on their door with bedroom, dining, and living room essentials. The parents spoke only Dari, but their young son let the team know how grateful they were for ACCA turning the empty apartment into a comfortable home!

CHILD DEVELOPMENT CENTER

The ACCA Child Development Center (CDC) program served more than 296 infants, toddlers, preschoolers, school-agers, and their families. The ACCA CDC meets or surpasses the National Association for the Education of Young Children standards by providing healthy learning environments and high-quality early childhood programming.

MORE OUTREACH

- Shepherd's Center - we helped provide drivers for 586 rides to seniors.
- Rebuilding Together - we helped repair two houses operated by the Hartwood Foundation, who provide residential service programs for persons with intellectual and developmental disabilities in VA.
- Ruffing Scholarships - provided \$4,000 per year for college education to four local students with disabilities
- Neighbor to Neighbor - Through financial and volunteer support, ACCA assisted refugee children with schoolwork and helped parents with English skills.
- Church World Service - Via the Annandale CROP Walk, we raised \$17,298 for Church World Service (CWS) to provide hunger, disaster, and refugee relief. CWS returned \$4324 to ACCA for our local efforts to fight hunger and poverty.
- Just Neighbors - provides legal services to low-income immigrants in the ACCA service area. ACCA funding helped with 1 DACA renewal case, 4 green cards, and 2 work permits for clients from 5 different countries.

PARTNERS

We received generous support from the community including our member churches, numerous individuals, businesses, and community organizations. A complete list of our partners - <https://bit.ly/ACCApartners>

VOLUNTEERS

All of this work was made possible by about 200 repeat volunteers and many one-time volunteers in addition to the staff of the Child Development Center.

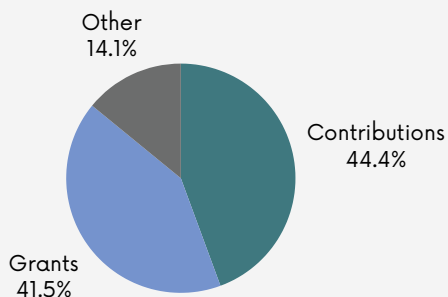

INITIATIVES

Behind the scenes at ACCA, we are automating our processes to serve our community more efficiently. With the technical skills of many new volunteers, we are working to improve our processes through the use of new technologies.

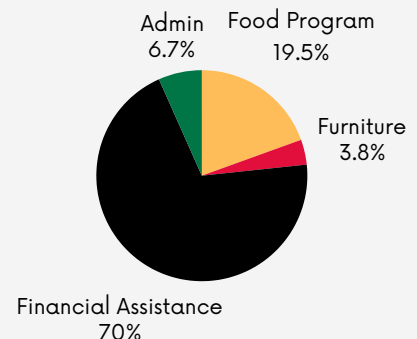

We have also been fortunate to partner with several local sources for diapers and feminine hygiene products to provide these essential items to families. We are working to improve our on-site vegetable garden and working with a local food rescue group to help provide fresh foods to clients while reducing waste in our community.
