ACCA BY THE NUMBERS

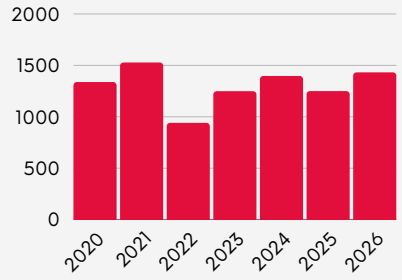

OUR MISSION HAS REMAINED THE SAME FOR THE LAST 59 YEARS. WE WORK TO SERVE THOSE IN NEED.

THE NEED IS GREAT AND INCREASING

Food insecurity remains a significant challenge in Fairfax County, affecting 26% of residents. In the Annandale and Bailey's Crossroads communities, more than 85% of students qualify for free or reduced-price meals. Since 2020, ACCA has provided food, financial assistance, and furniture to more than 32,000 individuals across 12,000 households, partnering with county social workers to help families meet essential needs.

FOOD AND HYGIENE PROGRAM

Pantry volunteers deliver a 7 - 10 day supply of food and hygiene products. Our volunteers and community partners work tirelessly to stock our pantry with produce, dairy products, bread, meats, soaps, baby supplies, and a variety of canned and packaged foods. 1,432 households received emergency grocery supplies in FY2026. Since 2020, the pantry has served 9,135 local families.

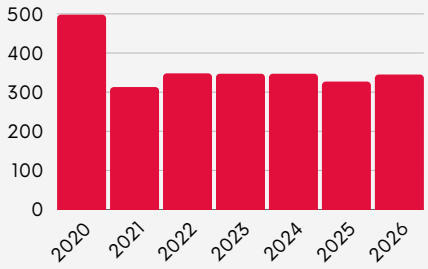

Households Served with Food and Hygiene Deliveries 2020-2026

A grateful woman sent this message: "I was truly overwhelmed by such an incredible variety of food and household essentials. Your generosity was far beyond anything I could have imagined, and it touched my heart more than words can express. People like you make this world a brighter and more hopeful place."

FAMILY EMERGENCY ASSISTANCE

345 local families received emergency funds for rent, security deposits, utilities, medical bills and other essentials in FY2026. Since 2020, the family emergency assistance program has served 2,525 local families.

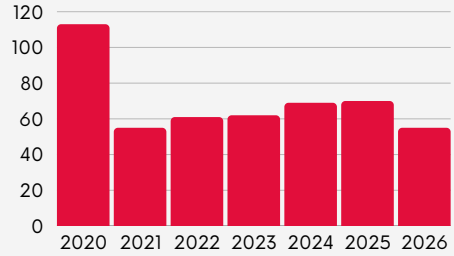

Households Served with Emergency Financial Assistance 2020-2026

A single mother of three, including one adult child, faced Dominion Energy disconnection after taking unpaid leave from her full-time school district job and going three months without child support. ACCA provided assistance, preventing her electricity from being disconnected.

FURNITURE

55 families received beds, sofas, tables, chairs, lamps, and other essentials to make their homes more livable in FY2026. Since 2020, the furniture teams have delivered to 485 homes.

Households Receiving Furniture and Other Household Items 2020-2026

When the team arrived at a local apartment for a scheduled furniture delivery, two small children eventually answered the door. Volunteers suspected the adults were hiding in the bedroom out of fear of increased immigration enforcement nearby. Once they realized the team was bringing their new furniture, the adults came out, relaxed and expressed their heartfelt thanks.

CHILD DEVELOPMENT CENTER

The ACCA Child Development Center (CDC) program served more than 296 infants, toddlers, preschoolers, school-agers, and their families. The ACCA CDC meets or surpasses the National Association for the Education of Young Children standards by providing healthy learning environments and high-quality early childhood programming.

MORE OUTREACH

- Shepherd's Center: Helped provide drivers for 418 round-trip rides to seniors for medical appointments and grocery shopping.
- Rebuilding Together: Repaired 2 local homes and funded 4 Rebuilding Express projects (bringing ACCA's lifetime total to 136 homes repaired and 4,750+ volunteer hours logged).
- Ruffing Scholarships: Awarded $4,000/year college scholarships to 4 local students with disabilities.
- Neighbor to Neighbor: Supported refugee families through youth academic tutoring and adult English language development.
- Church World Service(CWS) - Raised $15,066 via the Annandale CROP Walk for CWS relief efforts, securing $3,766 back for local hunger programs.
- Just Neighbors: ACCA funding helped with 7 green cards, 1 U visa, and 2 work permits for 10 clients (including 3 children) from 4 different countries.

PARTNERS

We received generous support from the community including our member churches, numerous individuals, businesses, local government, and community organizations. A complete list of our partners - https://bit.ly/ACCApartners

VOLUNTEERS

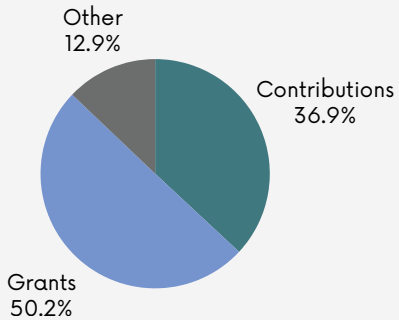

This work was made possible by our wonderful volunteers, in addition to a few paid professionals, and the staff of the Child Development Center. With 12,475 volunteer hours valued at $36.99 per hour, our volunteers have contributed the equivalent of $461,250 in time to ACCA just this year.

INITIATIVES

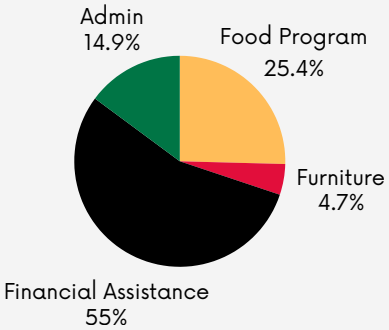

This year, we welcomed our first full-time employee, Tamika Smith, as our inaugural executive director. Tamika brings years of non-profit experience and a fresh perspective to help us reignite volunteers and donors to become a part of ACCA's Community Service in Action.
We have also been fortunate to partner with several local sources for diapers and feminine hygiene products to provide these essential items to families. We are working to improve our on-site vegetable garden and are partnering with a local food rescue group to provide fresh food to clients while reducing waste in our community.
