The ACCA food pantry is located at 7200 Columbia Pike (trailer separate from the Child Development Center) in Annandale. Please do not drop off food if a volunteer is not available. There is currently a collection box at Mason District Government Center, which is open from 9 – 5 on weekdays.

ACCA provides nutritious food and other essentials to families and individuals in need in our community. Although our community food drives are very successful, we find many of our shelves are empty. Since 2020, the pantry has served 7703 local families.
